measures to live with
peace of mind

Navigating through COVID-19

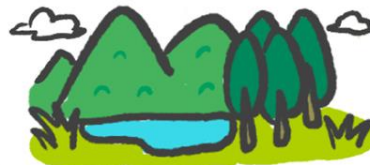

Outdoor living

**Keep your hands clean
by washing regularly**
Bring alcohol-based hand sanitizer

Maintain social distancing
The deeper the love,
the farther the distance.

**For outings, choose open spaces
with little traffic.**

**Wear a mask when you take public
transport or when you cannot
maintain a distance from others.**

Take traffic control advice.
Don't go to crowded places.

Taiwan
THE HEART OF ASIA

**Best Practices During
COVID-19**

One small step

you take is a big step in our joint defense

Wear a face mask on public transport, in an elevator, in crowded spaces, and when you cannot maintain social distancing.

Wash your hands with soap after you visit public places, take public transport, arrive home, and before you eat.

Avoid going out, and avoid crowded places. You can chill at home exercising, reading, playing video games, and binge watching!

Do not panic if you have a fever or respiratory symptoms.

Put on a face mask and see a doctor.

Inform the doctor of your contact history to facilitate timely diagnosis.

Rest at home. Leave home only after recovery.

Looking forward to seeing you in Sun Moon Lake
